

Sweetwater is a Nationally recognized Main Street district and proud to be a Tennessee Downtown designee. The revitalization of downtown Sweetwater over the past decade has welcomed many new businesses to our area, preserved historic treasures, and drawn tourists into beautiful Monroe County. We know if you spend some time in our historic downtown, you will want to return. We hope you shop, dine, and stay in Sweetwater often. We promise to greet you with a smile and help you experience small town charm at its finest.
